A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Greenacres.

Less than two miles from the beautiful Ochil Hills, Greenacres combines fresh, open surroundings with easy access to the whole of Central Scotland. Glasgow and Perth are around 45 minutes' drive away, and Edinburgh and Dundee can be reached within approximately an hour. Trains from Alloa Station, a mile and a half from the development, travel via Stirling to Glasgow Queen Street, and services from Stirling include direct trains to Edinburgh, Dundee, Perth and Inverness. Buses stopping ten minutes' walk from Greenacres operate to Alloa, and other local services link Sauchie with Tullibody, Tillicoultry and Stirling.

There is a convenience store, newsagent and off-licence in nearby Pompee Road, and a post office, a pharmacy, food takeaways and hairdressers can all be found within 20 minutes' walk. Alloa's lively, traditional town centre, half an hour's walk away, presents a comprehensive variety of high street stores and local traders, from greengrocers, family butchers and hardware stores to Tesco, Asda, Lidl and Aldi supermarkets. The shops and services are interspersed with cafés, restaurants and pubs.

Welcome home

Set in beautiful countryside close to the Ochil Hills, these attractive, energy efficient four and five bedroom homes bring a prestigious new neighbourhood to the edge of Sauchie, a small town adjacent to Alloa and situated between the river Forth to the south and the hillfoots of Clackmannanshire to the north. With excellent shops and amenities, and easy access to the whole central belt and the north, its outstanding location delivers a rare blend of convenience and local character. Welcome to Greenacres...

The Miller Difference

your home
your way...

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

Alloa Cinema, open seven days a week, shows the latest releases, and the Alman Dramatic Club mounts amateur productions in the small, intimate Coach House Theatre, just over a mile from Greenacres. The Alhambra Theatre and Vue Cinema in Stirling are complemented by film, theatre, music and exhibitions at the Macrobert Arts Centre in the University Campus, one of central Scotland's most eclectic and exciting venues. Fitness amenities include a Lotus Spa and Leisure Club and a PureGym in Alloa, while the superb opportunities for outdoor leisure range from parks, playgrounds and a skatepark to a ski centre at Tillicoultry. Alloa Golf Club's Schawpark Course, a mile east of the development, sits next to Gartmorn Dam Country Park, with its woodland walks, waterside trails and panoramic views, and the Ochil Hills provide endless opportunities for rambling and cycling.

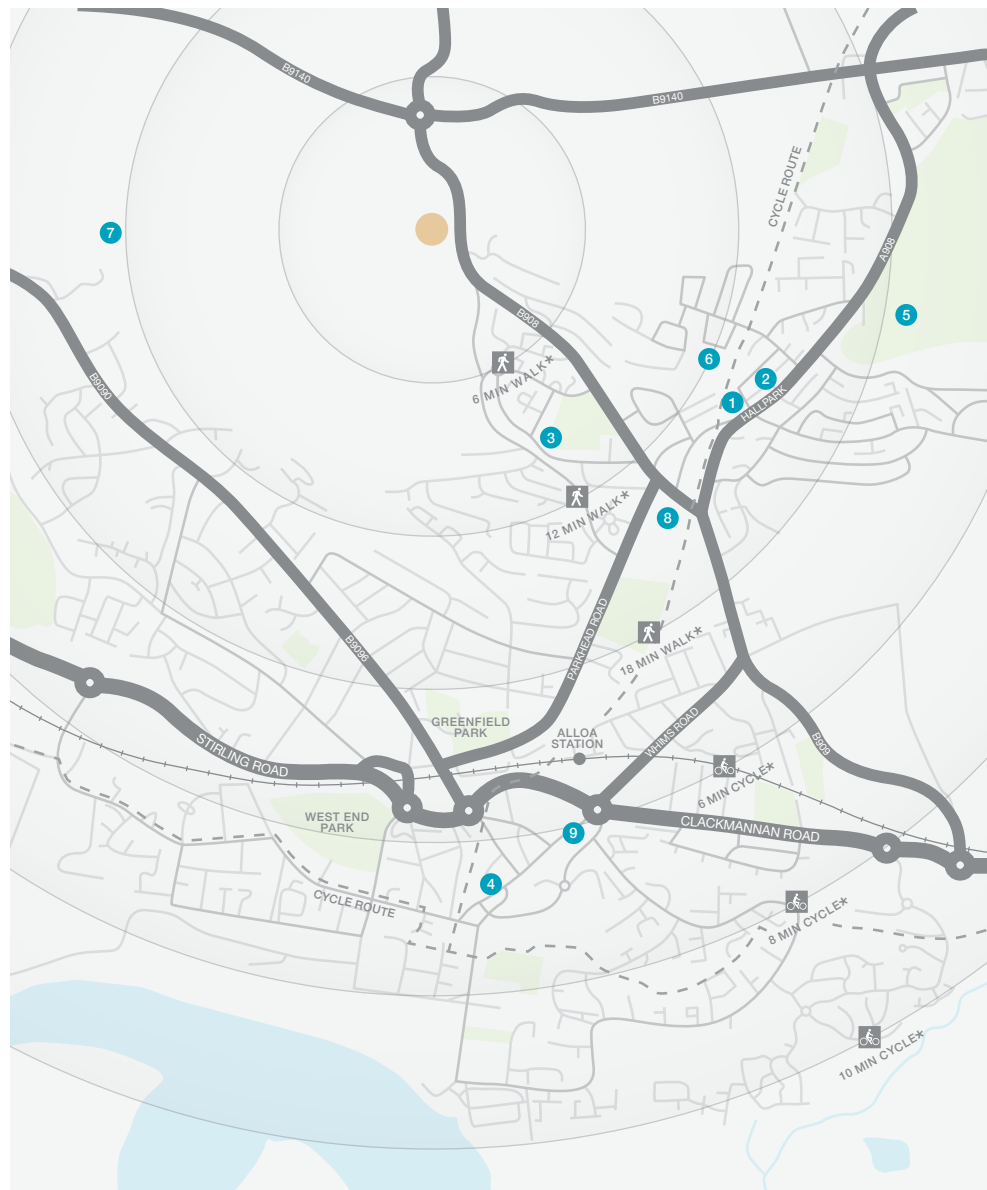

Greenacres is in the catchment area for Craigbank Primary School, which also offers nursery provision in tree-lined grounds three-quarters of a mile to the east of the development. Lornhill Academy, a mile to the west, is a six-year comprehensive school occupying a superb campus with modern facilities and a wide spectrum of extra-curricular activities. Fifteen minutes walk away, Clackmannanshire Community Healthcare Centre houses three GP practices and provides a range of screening services and clinics, and Short and Associates is the larger of the two dental surgeries in Alloa.

Useful Contacts

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
