# YOUR GUIDE TO SHARED OWNERSHIP

We want as many people as possible to have a beautiful home to call their own, and at Peabody, we've been helping people in London do this for over 160 years.

Shared Ownership is a part buy/part rent scheme that makes it possible for first time buyers to purchase a property that otherwise would not have been affordable.

It is a government-backed scheme for people who are unable to afford to buy a home at full market value.

Shared Ownership homes in London help you get on the property ladder in an affordable way. You can usually buy an initial share of 25% to 75% of the value of a property, and you'll need to take out a mortgage to pay for your share of the home's purchase price.

You will then pay a subsidised rent on the share you don't buy, and there will also be a monthly service charge to be paid on your home.

Peabody currently offer Shared Ownership homes across London, including hotspots such as East London, North London, Lewisham and Greenwich.

"There's no way I would have been able to afford to buy a home so close to Central London on the open market, so Shared Ownership was a fantastic option. It has meant I can enjoy London living, without the extortionate price tag."

- Tabby, Homebuyer with Zone at Oval Village, Lambeth.

## STEPS TO PURCHASING THROUGH SHARED OWNERSHIP

More than just a place to live. Peabody creates great places where people want to live, adding value by upholding high design standards, building sustainable, high-quality new homes that stand the test of time and making a positive difference through ongoing commitment to our communities.

**BUILDING HISTORY**

Formed over 160 years ago by the American financier and philanthropist George Peabody, Peabody is one of the UK's oldest and largest housing associations. Together with Catalyst Housing who joined the Group in 2022, we are responsible for more than 104,000 homes across London and the Home Counties.

**SOCIAL IMPACT**

In line with our social purpose, Peabody re-invests its surplus to provide more homes and services. We deliver services to 220,000 residents, supporting customers and the wider communities in which we work. We focus on those who need our help the most, working with people and communities to build resilience and promote wellbeing. We invest around £11m each year through our Community Foundation, to support people to be healthier, wealthier and happier.

**QUALITY DESIGN & SUSTAINABILITY**

Peabody's reputation is one of the most respected in the housing industry, renowned for high quality, innovative design. We work with industry experts and continually monitor quality throughout the design, procurement and development process. We aim to make a positive impact on climate change for our residents, communities and the environment, with an ambition to achieve net zero carbon in our new and existing homes by 2050.

**CUSTOMER FOCUS**

Over 90% of customers said they would recommend Peabody. Our customers' feedback helps shape the design of our homes and community services based on the needs of each neighbourhood. We value our customers and listen to what they have to tell us. Peabody are proud to have achieved 'Gold' in the independent customer satisfaction awards three times in a row and strive for excellence in all that we do.

**STRONG GROWTH**

With a growing pipeline, Peabody continues to invest in building quality new homes with high design standards. We create homes in great locations which are safe, easy to maintain and long-lasting. Peabody delivers long-term returns on investment. With an asset base of £8.3bn, Peabody is well placed to build thousands more top quality, well-maintained homes each year.

**AWARD WINNING**

In recent years, Peabody has been recognised and awarded more than 60 prestigious awards, including the Sunday Times 'Homebuilder of the Year' and the Grand Prix award at the Evening Standard New Homes Awards. We also work with award winning partners who share our values, high design standards and focus on great customer experience.
