A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Living in Dumbarton

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Chapel Gardens.

Close to shops and services, as well as some of Scotland's most impressive natural scenery, Chapel Gardens is also served by excellent transport links. Trains from Dalreoch Station, three-quarters of a mile away, reach Queen Street Station in less than half an hour and call at destinations throughout Glasgow and central Scotland before arriving in Edinburgh. Additional services to Glasgow Central and Balloch bring Loch Lomond within a ten-minute train trip. Buses between Helensburgh and Glasgow stop a few yards away, and National Cycle Route 7, extending northwards via Balloch into the Highlands, passes a few yards from Dalreoch Station.

There is a convenience store, a pharmacy, a newsagent and a choice of food takeaways within a ten minute walk of Chapel Gardens. Around a mile away, Dumbarton High Street can be reached via the pleasant Shore Circular Walk along the Clyde. The High Street and Artizan Shopping Centre present fashion outlets, banks, supermarkets and local traders, interspersed with pubs, cafés and restaurants. A little further east, St James Retail Centre incorporates larger stores such as Asda, M&S, B&M, Argos and Halfords, with Morrisons and Lidl supermarkets nearby.

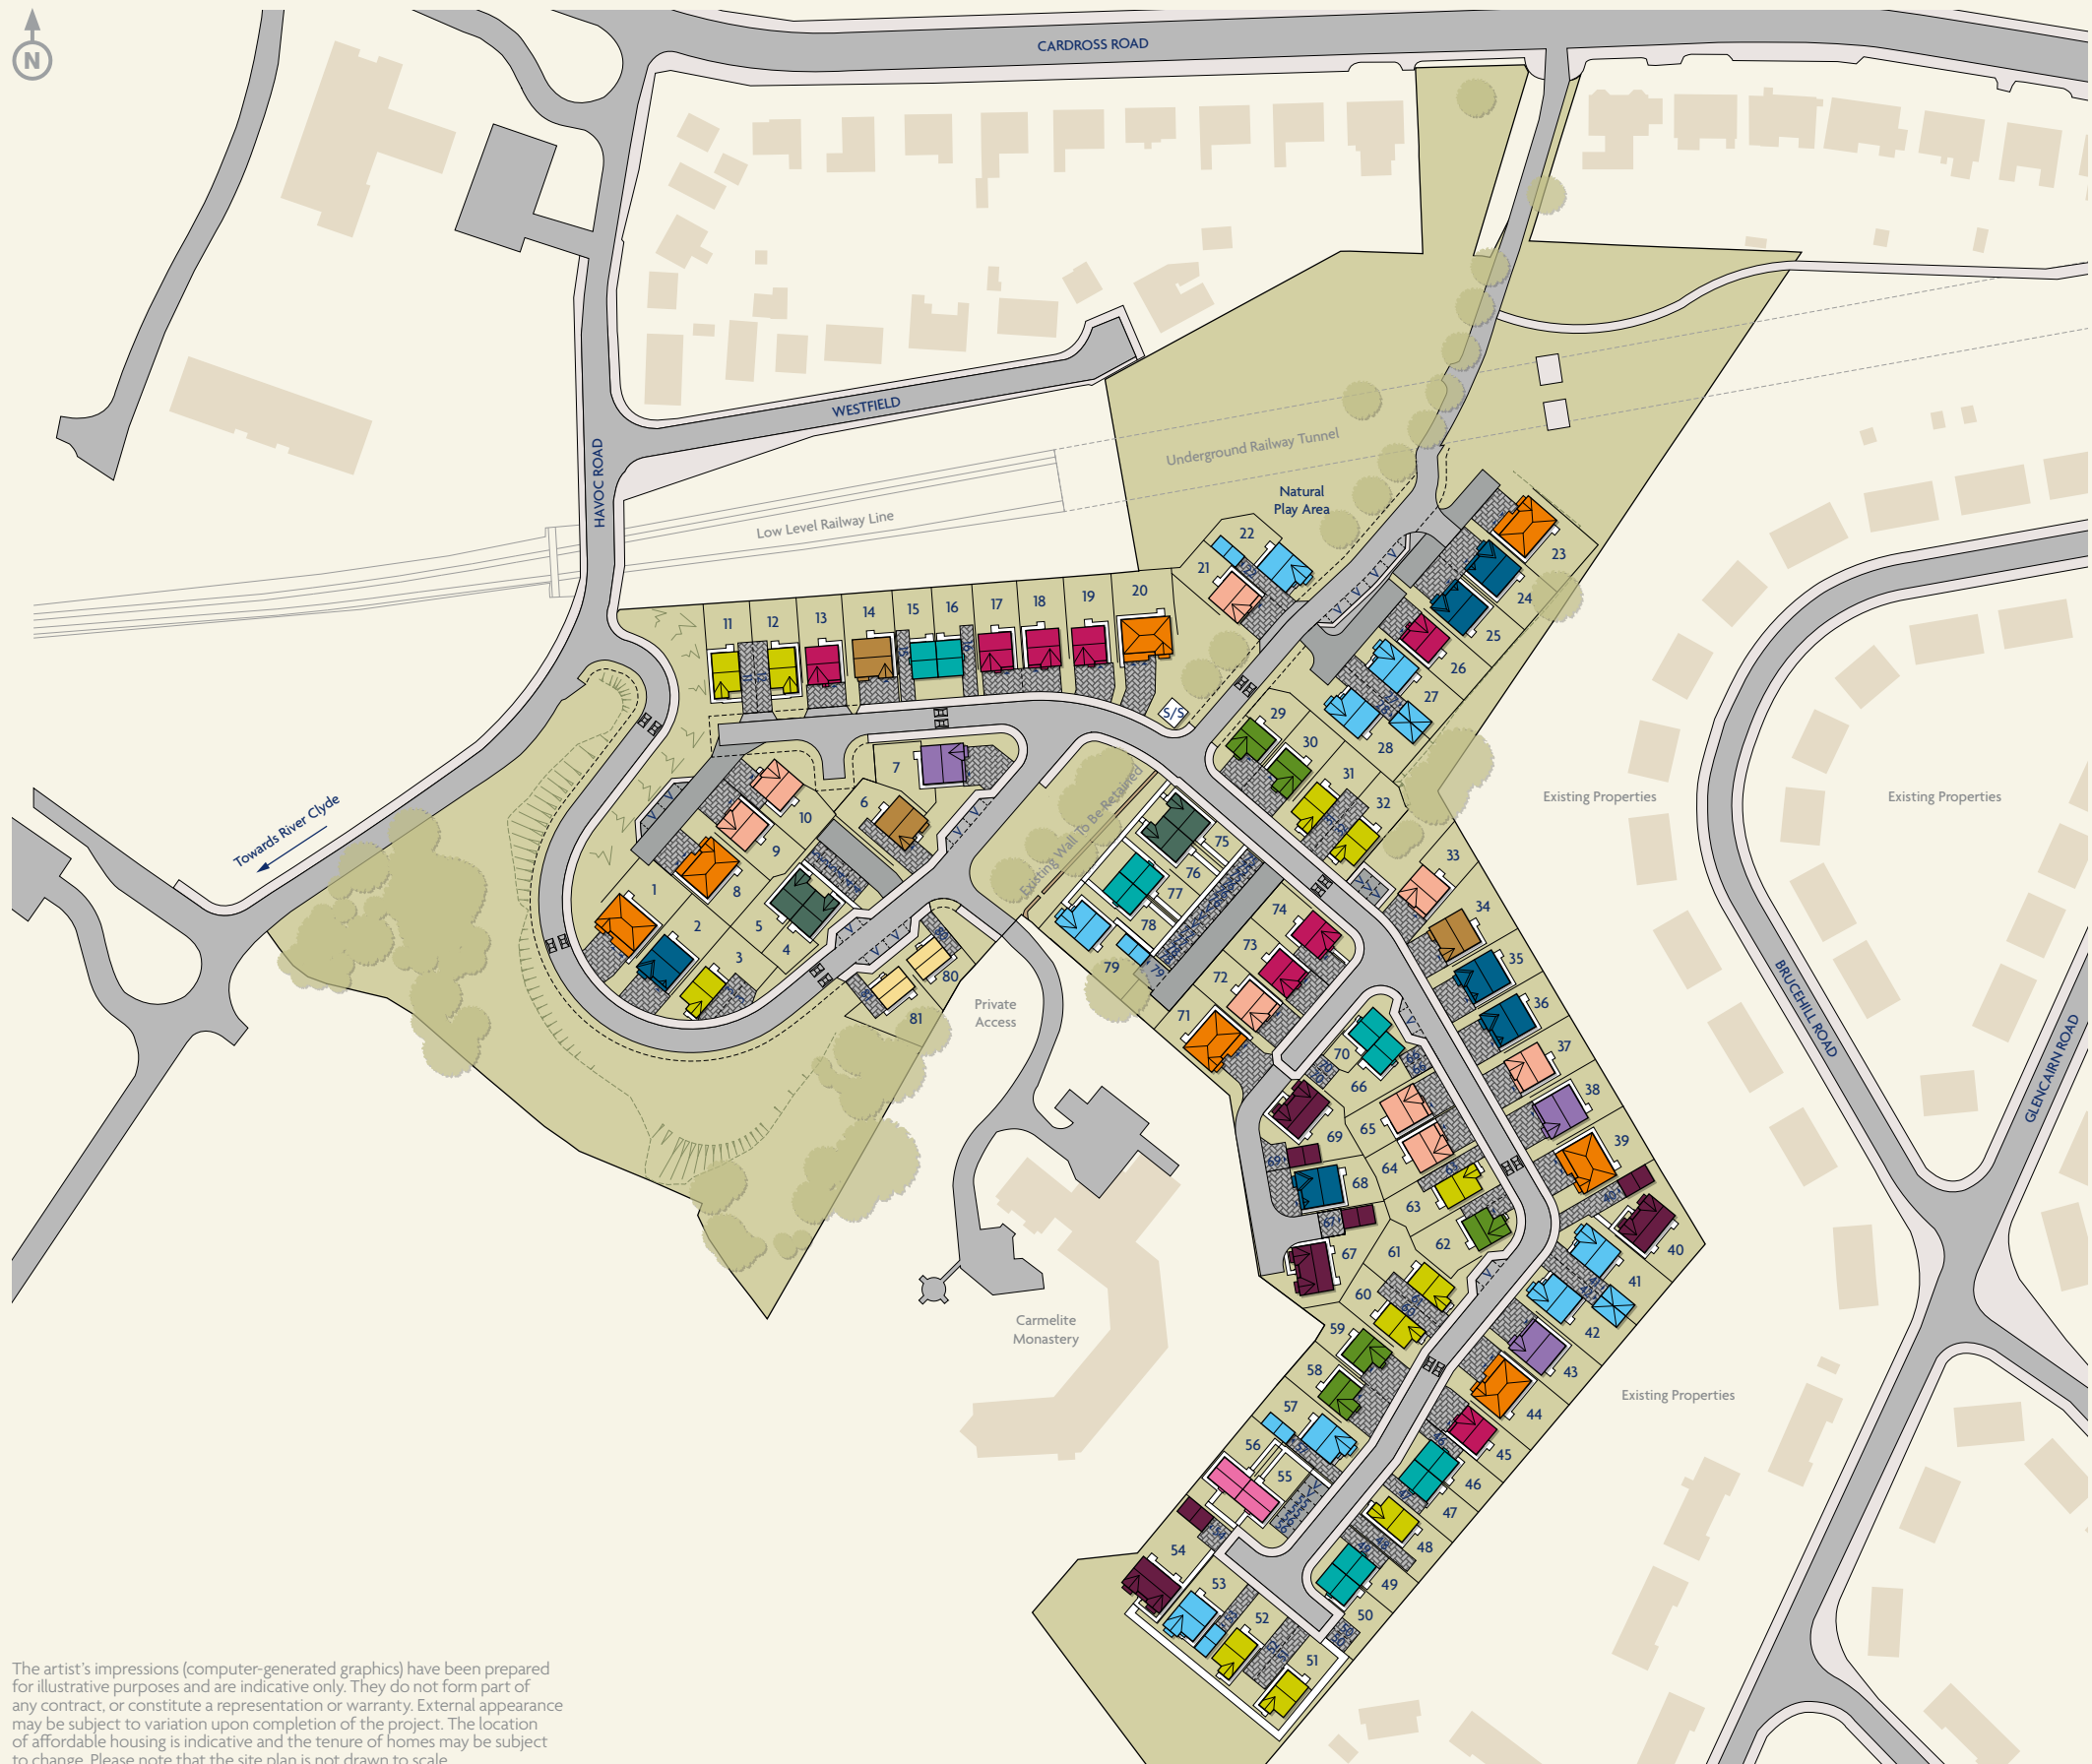

Welcome home

On the edge of Dumbarton, by the shores of the Clyde, this exciting selection of new build homes for sale offers a choice of energy efficient three, four and five bedroom properties. Close to local shops and schools, and just 20 minutes' walk from Dumbarton's busy High Street, it offers excellent road and rail links with the whole of central Scotland. Welcome to Chapel Gardens...

The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

your home
your way...

The Meadow Centre on Dumbarton Common includes a swimming pool, fitness and health suites and a sports hall, and Dumbarton Golf Club is complemented by additional nearby courses at Cardross and Vale of Leven. As well as the dramatic Dumbarton Rock and Castle, local attractions include Denny Civic Theatre, which presents live music and drama, and the Scottish Maritime Museum, with its enormous Ship Model Tank where experimental designs were tested.

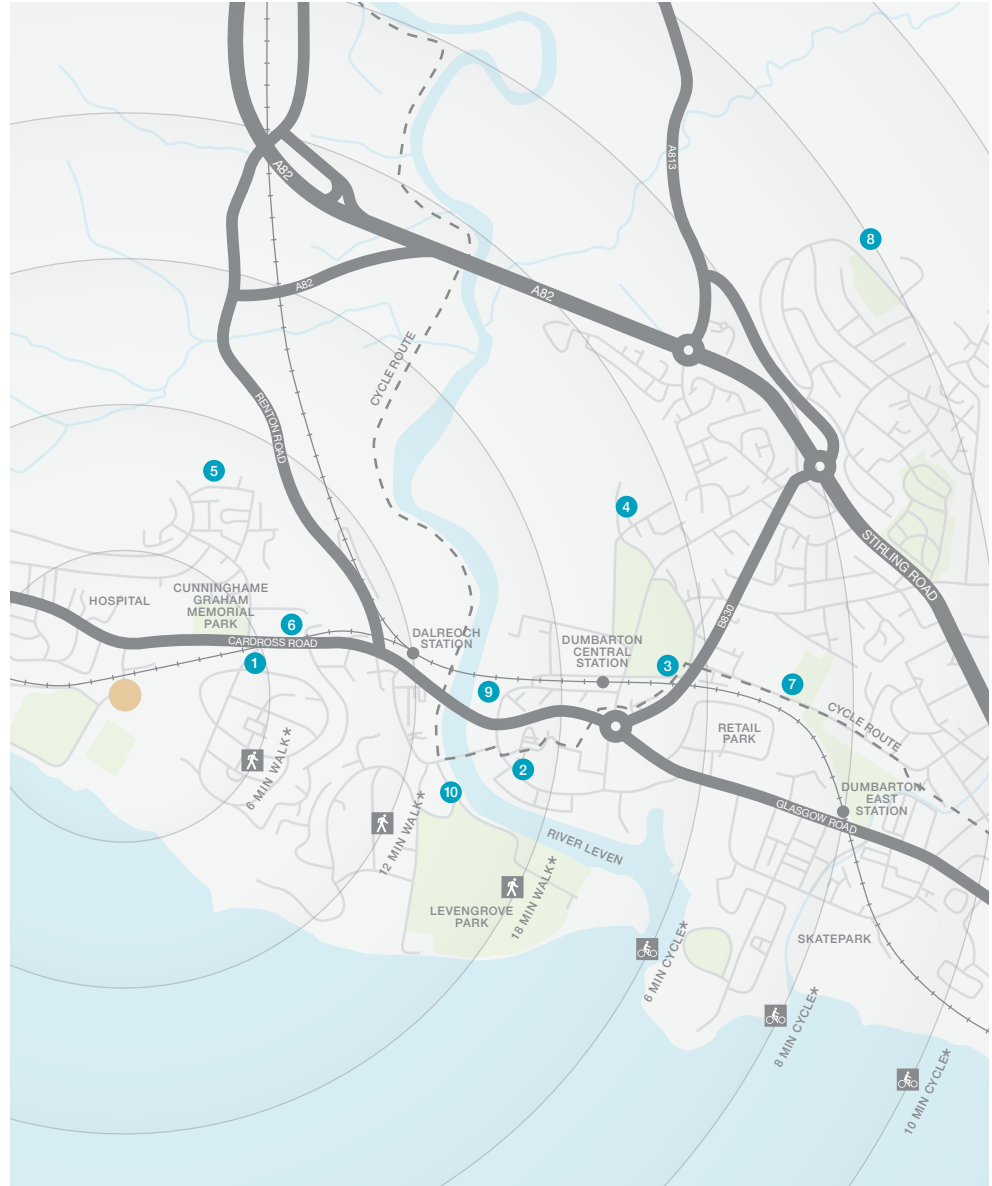

One of the most outstanding features of Chapel Gardens, however, is its proximity to magnificent outdoor amenities. There are delightful Clydeside walks nearby, and Balloch Country Park and the vast Loch Lomond and the Trossachs National Park are just five miles away. Local green spaces include nearby Cunninghame Graham Memorial Park and Dumbarton's vast Levensgrove Park, and there are extensive walking and cycling routes leading further afield, taking in reservoirs, lochs and community woodlands.

Dalreoch Primary and St Michael's RC Primary schools are both within a mile of Chapel Gardens, and secondary education is provided by Dumbarton Academy in the town centre and Our Lady & St Patrick's High School in the north of the town. Dumbarton Health Centre houses five GP practices and a spectrum of specialist services, and Levensgrove Dental Care is the nearest of Dumbarton's three dental surgeries.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

90 years of miller homes

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
