Gilmerton**

millershomes

the place to be®

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around South Gilmerton Brae.

Gilmerton has good public transport connections with easy access to the wealth of historic and cultural attractions that Edinburgh offers. Buses on routes 11 and 31 stop a few minutes walk from the development, providing direct access to Morningside, Leith, Newington and Corstorphine as well as the city centre, and both have night services. In addition, the development is just five minutes drive from the City Bypass, providing fast transit to the airport, Fife and the whole of the central belt. The new Royal Infirmary and the University campuses at King's Buildings and Little France are all in easy reach.

The area's local attractions range from the intriguing Gilmerton Cove, a man-made underground complex almost 300 years old, to the delightful Butterfly and Insect World and, in complete contrast, the Edinburgh Combat Challenge laser adventure game. Midlothian Snowsports Centre and the Pentland Hills are nearby, and there are several green spaces within a few minutes walk such as Drum Park with its children's playground, and the Burdiehouse Burn Valley Local Nature Reserve where herons, dippers and woodpeckers can often be seen.

With the traditional centre of old Gilmerton a few minutes walk away, this small, peaceful development combines easy access to central Edinburgh with outstandingly convenient travel throughout the central belt and beyond. Offering a selection of energy efficient three, four and five bedroom homes in a beautiful setting, this is a rare opportunity to enjoy calm surroundings with all the city's benefits on hand. Welcome to South Gilmerton Brae...

The Miller Difference

“Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me.”

Chris Mackenzie
Miller Home Owner

“We are so impressed with the exceptional customer service and quality of our home that we’ve recommended Miller Homes to a friend.”

Helen Moscrop
Miller Home Owner

The Miller Difference

We’re enormously proud of the homes we’ve been building for the last 80 years, and throughout that time we’ve been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we’ve seen many generations of families enjoy our homes and developments, and we’ve seen the happy, thriving communities they’ve become.

Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We’re proud of the independent surveys that consistently show our high levels of customer satisfaction. That’s the real barometer of our quality and our service.

Helping where we can

We invest everything into your customer journey – it’s designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we’ll listen to you right from the start. From the day you first look around a showhome until long after you’ve moved in, we’re here to offer help and support. We’ve been doing this a long time so we have a vast amount of experience to draw on.

We don’t want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It’s a customer journey that has taken 80 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

Keeping you involved

First you’ll meet your Development Sales Manager who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We’ll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you’ll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we’ve finished building it.

A Better Place

We don’t just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique www.mymillerhome.com website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you’ve moved in.

For your future

For us, success is building exceptional homes, in sustainable communities. And that’s how we’ve built a business that goes from strength to strength.

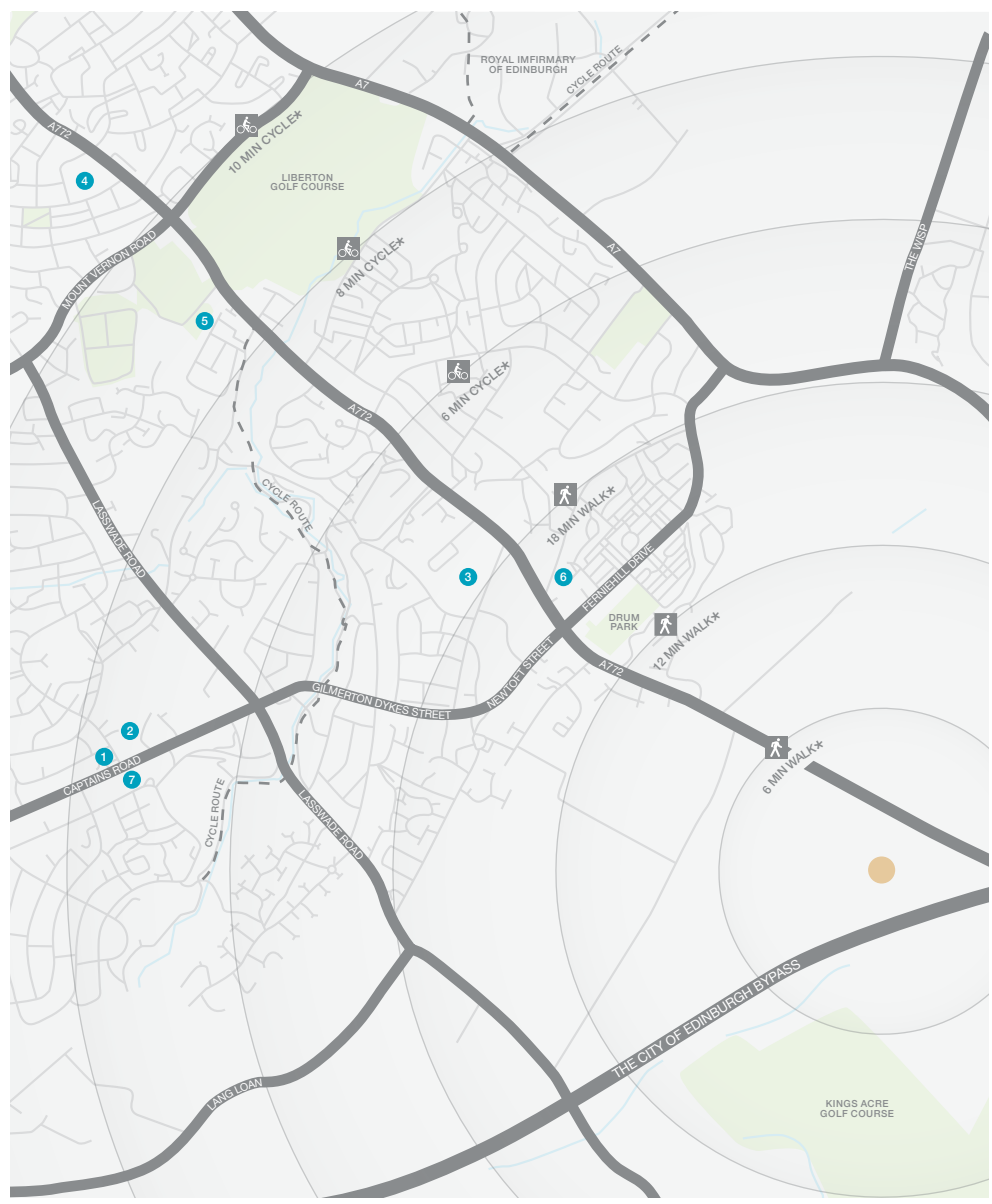

The recently refurbished Gracemount Leisure Centre with its 25m pool, fully equipped gym, fitness studios and sports pitches is around ten minutes walk away. There are four golf courses within three miles, King's Acre and Liberton being the nearest, and other local amenities include Valley Park Community Centre, where there are regular sessions covering craft activities, mother and baby groups, dance and gardening.

There is a local shopping area at Drum Street, half a mile away, with Iceland and Lidl supermarkets and a large convenience store, and another close to Gracemount Leisure Centre with a chemist, a post office and branches of Scotmid Co-op and Tesco Express. The major retail park at Straiton, with its Sainsbury superstore, Argos and other national chains, can be reached via a pleasant half-hour walking route. As well as regular kerbside recycling collections for glass, food and packaging, there is a Community Recycling Centre for larger items on Old Dalkeith Road, around two miles away.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

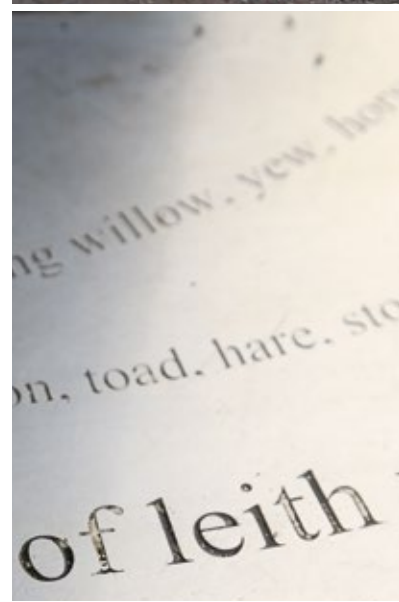

The development is in the catchment areas for Gilmerton Primary School, a few minutes walk away, and St John Vianney RC Primary School. Pupils normally move on to Liberton High or Holy Road RC High School. There are several health centres near the development, the nearest one being the Ferniehill Surgery near the shops at Drum Street, and a dental practice in Captain's Road near Gracemount Leisure Centre. The ERI at Little France, less than two miles away, has a round-the-clock A&E department.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GalerArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products, like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
