A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Norwood Quarter.

Occupying a premiere location within a new residential area. Miller Homes @ Norwood Quarter is just five minutes' drive from junction 16 of the M1 via the adjacent Sandy Lane. Central Birmingham and the M25 London Orbital Motorway can be reached in around an hour. Buses into the town centre and railway station pass alongside the development, and the area features a network of footpaths and cycle routes. Frequent train services from Northampton Station run westwards to Coventry and Birmingham and south to Milton Keynes and London, reaching Euston in less than an hour.

Welcome home

On the edge of Northampton, near open countryside, this beautiful selection of stylish, energy efficient two, three, four and five bedroom homes is the first phase of a prestigious new neighbourhood. Just three miles from the town centre and close to local shops and services, with further amenities planned, the development is within five minutes' drive of the M1, making it an ideal base for travel to Birmingham and London. Welcome to Norwood Quarter...

Oxford

Overview

This is an unmistakably distinguished family home. The island style kitchen, with bi-fold doors and rooflights, merges with the garden to introduce a wonderfully natural ambience. Featuring twin bay windows, french doors and french doors and two en-suites, it raises residential architecture to the highest standards of luxury.

The Miller Difference

your home your way...

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

Shops within 20 minutes' walk include a Bakery, a Co-op, a convenience store and an optician at Duston Main Road, and a precinct at Limehurst Road with a pharmacy and a post office. There are also several hairdressers, food takeaways, pubs, cafés and other services in the area. Two miles away, Sixfields Retail and Leisure Parks incorporate Sainsbury's, Boots, Lidl and M&S Food stores, a Cineworld, a gym, tenpin bowling and several restaurants. Sixfields is also the home of the town's football and athletics stadium.

Northampton is a popular shopping and entertainment destination. St Giles Street in the town centre, recently named the 'Best British High Street', is part of a cosmopolitan choice of malls, shopping villages and long-established local specialist traders. The Market Square is amongst the oldest in England, and reputedly the largest. The Royal and Derngate Theatre and the Deco Theatre present live drama, music and comedy, and the excellent Northampton Museum and Art Gallery is complemented by the historic collection and extensive estate at Abington Park Museum.

Harlestone Firs woodlands, a few minutes walk from the development, is the nearest of Northampton's wealth of relaxing open spaces, ranging from nearby Upton Country Park and Storton Pits nature reserve to Becketts Park and Marina. There are four golf courses around the town, and miles of riverside and canal pathways to explore.

The nearest of several schools in easy reach is The Duston School, ten minutes' walk away, which covers primary through to sixth form education and is rated 'Good' by Ofsted. Preschool care at Noah's Ark Playgroup, in the grounds of nearby St Luke's primary, is assessed as 'Outstanding'. Full GP and nursing services can be found at St Luke's Primary Care Centre, a mile away, and there is a dental surgery just five minutes' walk away in Kent Road.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
