Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Gedling.

Bonington Grange is within fifteen minutes drive of Nottingham's cosmopolitan city centre, linked by frequent bus services some of which stop just outside the development. Direct trains from Carlton station, 20 minutes walk away, reach Nottingham in just eight minutes and carry on to Derby, 40 minutes away, and Crewe. Gedling is within the Robin Hood Card integrated local travel area.

Nottingham's pedestrianised, historic streets and lanes house an eclectic variety of traditional shops, pubs and restaurants, complemented by malls housing high street fashion and technology brands, and prestigious retail environments such as the Exchange arcade. The city also has a vibrant live entertainment sector, with a broad choice of theatres and music venues, nightlife and cinemas.

Welcome
home

In pleasant, open surroundings just five miles from the centre of Nottingham, Gedling has grown from a village to a leafy, prestigious suburb without losing its distinctive, semi-rural appeal. Offering a choice of attractive, energy efficient two, three and four bedroom homes, this beautifully landscaped development brings an exciting new neighbourhood into a sought-after residential area with comprehensive local shops and services, good transport links and quite exceptional outdoor amenities.

The Miller Difference

your home
your way...

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

Closer to Bonington Grange, there is a shopping precinct in Main Road, Gedling, with a Co-op, convenience stores, a pharmacy, hairdressers and food takeaways. A further choice of local shops in Victoria Road, near Carlton Station, includes a post office, pharmacies, traditional butchers, hairdressers, cafés and a large Co-op. At the eastern end, the road passes a Lidl supermarket and reaches Victoria Retail Park, incorporating M&S Food, Morrisons, Boots, Argos and other high street stores and restaurants. There is also a Sainsbury supermarket close to the retail park.

Sports and leisure facilities are equally varied, from a multi-level Go Karting track and a Everlast Fitness Club and swimming pool at Victoria Retail Park to days out at Nottingham Racecourse and the adjacent greyhound stadium. The local Mapperley Golf Club is one of several courses surrounding the city.

The area around Bonington Grange is particularly rich in outdoor amenities. To the north, Gedling Country Park offers more than 500 acres of wildlife habitats, play areas including a mining tower slide and zipwire, picnic areas and magnificent views. To the south, Colwick Country Park, The Hook Nature Reserve, Colwick Rectory Recreation Ground and skatepark, and Skylarks Nature Reserve sit alongside the River Trent near Holme Pierrepont Country Park and the National Watersports Centre.

Willow Farm Primary School, 20 minutes' walk away, is rated 'Outstanding' by Ofsted, and Carlton le Willows Academy, just three-quarters of a mile from Bonington Grange and with a dedicated sixth form building on the site, is assessed as 'Good'. Trentfield Medical Group, near Victoria Road, is the most convenient of the GP practices in the area, and there is a dental surgery just ten minutes walk away in Shearing Hill.

Useful
Contacts

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
