A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Millerpark.

Less than half an hour's drive from Glasgow city centre and just 20 minutes from Glasgow Airport via the Erskine Bridge, Millerpark is a superb strategic location. The development offers fast access to the south via the Clyde Tunnel, and frequent trains from Clydebank Station, five minutes walk away, serve most towns and suburbs between Clydebank and Whifflet, reaching Glasgow Central in around 20 minutes. Many trains go on to Hamilton, while Singer Station, half a mile away, provides additional links with Motherwell and Cumbernauld. Services from Clydebank Bus Station, adjacent to the development, operate to Helensburgh, East Kilbride, Greenock, Paisley and Glasgow Airport.

Clyde Shopping Centre, adjacent to the development, incorporates more than 200 businesses ranging from high street fashion to banks, technology and hairdressers, cafés, restaurants and market stalls. The Centre includes two supermarkets, a Boots Pharmacy, a Post Office, opticians and other specialists. There are several convenience stores in the area, with additional Sainsbury and Lidl supermarkets within 20 minutes' walk. For an even greater choice of shops, leisure and sports amenities, Braehead is just three miles away via the Renfrew Passenger Ferry.

# Welcome home

In a beautiful tree-lined site beside the picturesque Forth and Clyde Canal, this prestigious new neighbourhood brings energy efficient three and four bedroom homes into an exceptional location. Offering fast access by road to the centre of Glasgow, with outstanding rail and bus services and an enormous choice of shops and amenities within a few minutes' walk, they balance urban convenience with easy access to miles of beautiful outdoor attractions. Welcome to Millerpark...

# The Miller Difference

**The Miller Difference**  
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

**Shaped around you**  
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

**Built on trust**  
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

**Helping where we can**  
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

**Pushing up standards**  
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

**A smooth customer journey**  
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

**With you every step of the way**  
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

**Fully involved**  
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

**Make it your own**  
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

**A place to grow**  
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

Clydebank Leisure Centre, featuring three pools, fitness and health suites and a sports hall, occupies a beautiful Clydeside setting less than half a mile from Millerpark, and there is also a well-equipped PureGym nearby. The ten-screen Empire Cinema in Clyde Shopping Centre is just 350 yards away, and other leisure attractions within ten minutes' walk include Clydebank Museum and Art Gallery and the Scotkart indoor track, laser tag and paintball arena. Golf venues include Dalmuir Golf Club, a mile and half from Millerpark, and Clydebank and District Golf Club is just a little further away. The area is also rich in opportunities for walking and cycling. In addition to attractive spaces like Dalmuir Public Park, with its pond and play area, the River Clyde, miles of canal paths, and the mountains and lochs of the Kilpatrick Hills are all nearby.

Millerpark is in the catchment areas for Whitecrook and Our Holy Redeemer's RC Primary Schools, and for Clydebank High and St Peter the Apostle RC High Schools. All four schools are within approximately a mile, with Whitecrook Primary only 600 yards from the development. The Green Medical Practice, the largest of six GP practices housed in Clydebank Health and Care Centre, and the Clyde Dental Practice in Kilbowie Street are both approximately five minutes' walk away.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. 90 years of miller homes

## Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

5 stars for customer satisfaction
