the place to be®

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

So here's some useful information about the area around Oakwood Grange.

Less than two miles from the junction of the A1 and the Great North Road, perfect for travel throughout the UK, Hazlerigg is also in easy reach of the shops, entertainment and sporting venues of Newcastle City Centre. Local buses, including the luxury twice-hourly Sapphire 44 service, run alongside the development, and Kingston Park Metro Station, half an hour's walk away, can be reached along pleasant off-road paths. Newcastle International Airport, less than four miles from Hazlerigg, offers direct flights to UK and international destinations.

Just six miles from the centre of Newcastle, this selection of energy efficient two, three, four and five bedroom homes, landscaped with attractive green leisure areas, occupies a prime position in a popular, mature residential area. With the delightful Havannah Nature Reserve on its doorstep, good local amenities and excellent transport links that include easy access to the A1, it presents a perfect balance of peaceful retreat and urban convenience.

The Miller Difference

“Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me.”

Chris Mackenzie
Miller Home Owner

“We are so impressed with the exceptional customer service and quality of our home that we’ve recommended Miller Homes to a friend.”

Helen Moscrop
Miller Home Owner

The Miller Difference

We’re enormously proud of the homes we’ve been building for the last 80 years, and throughout that time we’ve been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we’ve seen many generations of families enjoy our homes and developments, and we’ve seen the happy, thriving communities they’ve become.

Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We’re proud of the independent surveys that consistently show our high levels of customer satisfaction. That’s the real barometer of our quality and our service.

Helping where we can

We invest everything into your customer journey – it’s designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we’ll listen to you right from the start. From the day you first look around a showhome until long after you’ve moved in, we’re here to offer help and support. We’ve been doing this a long time so we have a vast amount of experience to draw on.

We don’t want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It’s a customer journey that has taken 80 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

Keeping you involved

First you’ll meet your Development Sales Manager who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We’ll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you’ll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we’ve finished building it.

A Better Place

We don’t just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique www.mymillerhome.com website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you’ve moved in.

For your future

For us, success is building exceptional homes, in sustainable communities. And that’s how we’ve built a business that goes from strength to strength.

The strategic benefits of the location contrast with its semi-rural setting, with miles of open farmland to the east and a superb nature reserve, one of the few remaining urban habitats for red squirrels, immediately to the south. Weetslade Country Park and the beautiful Big Waters Nature Reserve are both within walking distance of the development, and nearby sporting amenities include the excellent Northumberland Golf Club, one of several courses in the area, and Newcastle Race-course with its full year-round programme of events.

The selection of local shops around five minutes walk from the development includes a convenient One Stop store, off-licence and newsagent with post office services, while the shopping precinct in Wideopen, around a mile away, has a large Co-op supermarket and a pharmacy. A wider choice can be found in Gosforth's traditional High Street with its Sainsbury supermarket and lively mixture of national chains and local specialist shops, some of them in an indoor mall. The shops are interspersed with a wide range of pubs, cafés, restaurants and takeaways, creating a pleasant and relaxed shopping environment. Gosforth Leisure Centre, just off the High Street, incorporates a well equipped gym, swimming pools, a sauna and fitness studio.

The retail parks around Kingston Park Metro Station present a choice of larger stores, including Marks and Spencer, Boots, Halfords, Currys PC World and Tesco, and there is a useful recycling facility, the Brunswick Recycling Centre, less than a mile away.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Hazlewood Community Primary and Brunton First School are both within half an hour's walk. Brunton First School, which has an associated Day Nursery, is a feeder school of Gosforth Junior High, the junior school of Gosforth Academy.

Both were assessed as 'outstanding' by Ofsted in their most recent evaluations. Health services in the area include Wideopen Medical Centre, a full-time practice, and a dental surgery around fifteen minutes walk away in Brunswick Village.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GaleriArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products. Like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
