

# Why list with us?

Our homebuilders recognise the benefits of advertising on a website dedicated to brand new homes, therefore we offer a free to list opportunity for all home builders to advertise their developments with us.

Our focus from day one and remains true today is to offer a valuable marketing tool for home builders, whilst providing our users with an optimal home buying search experience.

4 

**From £371,995**

The four bedroom Canterbury combines a high standard of living with the flexibility a growing family needs, in a spacious home that is flooded with light and life. The four bedroom first floor fits a larger family, or provides space for a separate playroom or media room. The master bedroom has an en-suite shower room. Downstairs offers the choice of a vibrant open plan kitchen / dining area, a large family lounge or the quiet of a separate study. The
