# CUSTOMER SERVICE BY BARRATT HOMES

## BUILDING OUR CUSTOMER SERVICE TO BE THE BEST

At Barratt we are genuinely committed to delivering the highest standards of customer service. The same exacting standards that have helped us win more quality awards than any other major housebuilder also ensure we look after our customers as well as we possibly can.

We believe that solid foundations are as important to a customer relationship as they are to a building. During the planning and design process we go to great lengths to make sure the homes and developments we build are perfectly in tune with the needs and aspirations of their prospective owners.

Our Directors carry out weekly site inspections before, during and after the build process. As your home is built, it is checked at every stage to ensure it reaches the exacting standards we demand.

Our Customer Service Charter lays out our commitments to you and details the care, support and assistance we'll provide you with throughout your purchase and long after you've moved in.

As a result of the outstanding service we provide to our customers, we have been awarded the exceptional accreditation of "5 Star Builder" by the independent Home Builders Federation. 29,000 homebuyers across the country took part in the survey and this honour recognises the highest levels of positive recommendation by our customers, as well as the superior build quality of our homes.

## 5 GREAT REASONS TO BUY WITH BARRATT

### 1. 5 Stars for Customer Satisfaction

No other major national housebuilder\*\* has been awarded a Home Builders Federation 5 Star Housebuilder accolade every year since 2010. All thanks to positive recommendations by our customers.

### 2. Building homes for over 5 decades

We've been established for over 5 decades and in that time have built over 300,000 new homes. Our commitment to quality and innovation is shown in the highest standards of design, construction, finish and the customer service we provide.

### 3. Award winners, time and time again

Our steadfast commitment to quality has ensured that for the tenth year in a row our site managers have picked up more awards than any other housebuilder, winning NHBC Pride in the Job awards for their workmanship and demonstrating our dedication and commitment to building homes of the very highest standard.

### 4. Creating places where you'll love to live both inside and out

Our light, open-plan properties are really adaptable – every room can suit a variety of lifestyles. Whether you want space for the kids to play or more room to entertain friends, our fantastic range of homes can give you that flexibility.

We also know our customers love green open spaces and we go to great lengths to maintain and enhance the local environment on our developments. In fact, we plant an average of 20 shrubs or trees for each home we build, creating a beautiful and sustainable environment to live in.

### 5. Our energy efficient homes could save you money

Every home we build is sustainable and energy efficient – minimising their impact on the environment, whilst reducing your energy costs too. Our homes could save you money by being 45% to 55% more energy efficient than a same sized older home – even after it's been modernised. As a result, you could save a staggering £1,312\*\*\* per year on your energy bill.

# THE CONSUMER CODE

The Consumer Code for Home Builders (“the Code”), which came into effect in April 2010, applies to all home builders registered with the UK’s main new Home Warranty Bodies: NHBC, Premier Guarantee and LABC Warranty.

The Code gives protection and rights to purchasers of new homes. It requires all new home buyers to be treated fairly and ensure they are fully informed about their purchase before and after they sign the contract.

The aim of the Code is for all new home buyers to:

- be treated fairly
- know what levels of service to expect
- be given reliable information about their purchase and their consumer rights before and after they move in
- know how to access speedy, low-cost dispute resolution arrangements to deal with complaints about breaches of the Code.

The Code reinforces best practice among home builders to encourage a consistently high level of information and customer service. It builds on successful efforts already made by the industry to improve consumer satisfaction in recent years

**The Code covers every stage of the home-buying purchase – pre-contract, exchange of contract and during occupation.**

As a 5 star housebuilder, we are committed to the Consumer Code for Home Builders. For more information on the Consumer Code for Home Builders, please visit <http://www.consumercode.co.uk/>
