Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Becksie Manor.

Twenty minutes walk from the shops and amenities of the main centre, and within around fifteen minutes' drive of Stockton-on-Tees, Teesside Shopping Park and Middlesbrough, Becks Manor sits on the edge of the inviting collection of distinct 'villages' that make up Ingleby Barwick. The development is just five minutes drive from the junction of the A19 and the A174, and bus services to Middlesbrough, Thornaby and the surrounding communities stops a few minutes' walk away. Direct train services between Manchester and Redcar, calling at Middlesbrough, York, Leeds, Huddersfield and Manchester Airport, stop at Yarm, two and a half miles from Becks Manor, with a journey time to Middlesbrough of just fifteen minutes.

A Co-op around ten minutes walk away complements the amenities of Ingleby Barwick Centre, with its Tesco Superstore, pharmacy, optician, hardware shop and takeaways. There is also a large medical practice with full nursing support. The shops are flanked by Romano Park and two leisure centres. The IB Leisure Complex includes a 25m swimming pool, a gym, and houses the local library, while the Bannatyne Health Club offers a 14m pool, technogym, sauna and steam room.

Welcome home

On the southern edge of Ingleby Barwick, laid out around open green spaces and buffered by woodlands running along the course of Bassleton Beck, this exciting selection of energy efficient three, four and five bedroom homes brings a delightful new neighbourhood to the town. Close to the A19, offering easy access to the whole of Teesside, it presents a rare opportunity to settle in a semi-rural, yet exceptionally convenient, location. Welcome to Beckside Manor...

# The Miller Difference

your home your way...

**The Miller Difference**  
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

**Shaped around you**  
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

**Built on trust**  
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

**Helping where we can**  
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

**Pushing up standards**  
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

**A smooth customer journey**  
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

**With you every step of the way**  
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

**Fully involved**  
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

**Make it your own**  
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

**A place to grow**  
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

## Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

5 stars for customer satisfaction
